J.P. Henry's Restaurant • Sports • and Banquets has been owned and independently operated since 1991.

We find ourselves ever changing, to not only meet, but exceed our guests' needs. J.P.s has been known to wear many hats, such as: Holiday Events, Rehearsal Dinners, Cocktail Parties, Board Retreats, Business Meetings,

Too Many Birthdays to Count, Fund Raisers, we've done 'em all, daily!

J.P. Henry's is a most unique, one of a kind stop off for a cold beverage, tasty fare and friendly faces. It has become apparent to us that burgers, cold beer, and sports are three classics that are never going out of style. We have shifted our focus, slightly, because we are always thinking big! Making our burgers from scratch and piling them high; filling our facility with more TVs than any other establishment; turning the surround sound volume up during sporting events; and bringing DJs to create an atmosphere that is unbeatable. Why bother? Because bigger and better isn't just attitude – it's a commitment.
